

LADY HOPE HAS PLAN TO AID TEMPERANCE WITH 'MOVIE' CABARET

English Noblewoman Delegate to White Ribbon Convention Here.

"No, I am not a suffragist; I am here solely in the interests of temperance," said Lady Hope, with a ready smile, when seen to-day at the Hotel Savoy. Lady Hope of Manchester, England, is one of the distinguished delegates to attend the triennial convention of the world's Women's Christian Temperance Union, which will be held in Brooklyn from the 2d till the 25th of this month. Lady Hope will speak at the convention of her plan to make temperance popular among all classes. Her plan includes the establishment of halls where a social evening can be enjoyed by young men, minus the influence of the saloon.

"These halls would do after the manner of the Kursaal found in most continental cities, but without the gambling," Lady Hope explained. "Of course we couldn't have gambling; John Barleycorn and the roulette wheel would both be refused entrance. The halls would, however, be furnished with tables where refreshments could be served at popular prices, and moving pictures might take the place of the cabaret."

When asked about dancing, Lady Hope did not express disapproval of the American dancer, but intimated that they seemed to need no special encouragement, as they seemed here to stay.

"As these halls would be places for the young men to gather in, exclusive of women," she explained, "dancing would not be included in the program. It has been said that in this country the saloon is the poor man's club. This seems to be true. You have none of the social life of some of the countries of Europe."

"Liquor and sociability are so far inextricably bound together and should be separated. But until we give people a substitute for the saloon, (and many of them would be glad of it), it seems

rather useless to re-ery the saloon, does it not?"

Some other delegates to the big convention, at which thirty nations will be represented, have arrived from over seas. They include Mrs. E. J. Nolan from Australia, Mrs. E. G. Geddes from Bulgaria, Baroness Kall Tajima from Japan, Mrs. de Lavelle from Belgium, Mrs. Van Dorn from France, Mrs. E. J. Nolan from Sweden, Mrs. E. J. Nolan from Norway, Mrs. E. J. Nolan from the Bahamas, and Mrs. E. J. Nolan from Chile.

Some of the subjects under discussion will be, "The Medical Side of Temperance," Dr. Louise Paragon; "Juvenile Courts," Mrs. Rutherford; "Rescue Work and White Slavery," Mrs. Lurenda Smith; "Temperance Work Among Foreign-Speaking People," Mrs. M. B. Wilson; "Work Among Soldiers and Sailors," Mrs. E. J. Nolan; "Purity in Art and Literature," Miss Harriet Pritchard; "Temperance and Legislation," Mrs. Margaret Dye Mills. Mrs. A. S. Benjamin will give a talk on Parliamentary Usages.

Immediately after the world convention, there will be a national convention of the Women's Christian Temperance Union in Asbury Park, N. J. For this, as for the world convention, special cars and special railroad and steamship rates have been granted.

Telegraphers Threaten Strike. DALLAS, Tex., Oct. 13.—Strike of telegraph operators over the entire Missouri, Kansas and Texas Railway system is threatened, general officers of the road said here to-day. The men want a ten-hour day, 10 per cent. wage increase and overtime. General Manager W. A. Webb of the railroad said the operators' demands came as a surprise. About 50 men may be affected.

YOUNG HARRY DAVIS MEETS SUDDEN DEATH

Son of Athletics' Former Star Was at Shibe Park with Mack's Men During Last Week's Games.

PHILADELPHIA, Oct. 12.—Harry Davis Jr., thirteen-year-old son of the former captain and first baseman of the world's champions, died suddenly early to-day at the home of his parents here. Young Davis did not complain of illness, but was stricken suddenly and died in a short time.

So far as physicians could determine, death was due to indigestion and heart disease. The boy was on Shibe Park field last week practicing with his father and the other Athletics players.
